

# QUALITY POLICY

## OUR GOAL IS DEMONSTRATING SERVICE EXCELLENCE THROUGH SETTING THE STANDARD IN QUALITY MANAGEMENT

We will achieve this by:

- Consistently delighting our customers and delivering offshore well solutions that always meet their expectations
- Ensuring that we employ highly competent people in a transparent organization with clear lines of responsibility
- Committing to continuous improvement and establishing a Quality Management System which provides a framework for measuring and improving our performance
- Putting safety first and demonstrating compliance by respecting our policies, principles and standards with full transparency
- Aspiring to external validation of our Quality Management approach (ISO 9001:2015)
