IMPORTANT INFORMATION

This Prospectus Supplement is a supplement to the Prospectus published by the Company in connection with the listing of the Shares on Euronext Expand and the subsequent transfer to and listing of the Shares on the Oslo Stock Exchange.

This Prospectus Supplement and the Prospectus have been prepared to comply with the Norwegian Securities Trading Act of 29 June 2007 no. 75, as amended (the "**Norwegian Securities Trading Act**") and related secondary legislation, including Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market, and repealing Directive 2003/71/EC, as amended, and as implemented in Norway in accordance with Section 7-1 of the Norwegian Securities Trading Act (the "**EU Prospectus Regulation**"). This Prospectus Supplement has been prepared solely in the English language. This Prospectus Supplement has been approved by the Financial Supervisory Authority of Norway (*Nw.: Finanstilsynet*) (the "**Norwegian FSA**"), as competent authority under the EU Prospectus Regulation. The Norwegian FSA only approves this Prospectus Supplement as meeting the standards of completeness, comprehensibility and consistency imposed by the EU Prospectus Regulation, and such approval should not be considered as an endorsement of the issuer or the quality of the securities that are the subject of this Prospectus Supplement. Investors should make their own assessment as to the suitability of investing in the securities.

DNB Markets, a part of DNB Bank ASA, is acting as the Company's financial advisor in connection with the Listings (the "**Manager**").

For definitions of certain other terms used throughout this Prospectus Supplement and in the Prospectus, see Section 20 "Definitions and glossary" of the Prospectus.

The information in this Prospectus Supplement is to be considered part of the Prospectus and (i) supersedes information originally contained in the Prospectus to the extent inconsistent with such information and (ii) supplements information originally contained in the Prospectus so that any statement contained therein will be deemed to be modified to the extent that a statement in this Prospectus Supplement modifies such statement. Information in the Prospectus shall still apply unless and then only to the extent it has not been amended, supplemented or deleted by this Prospectus Supplement.

The information contained herein is current as at the date hereof and is subject to change, completion and amendment without notice. The publication and distribution of this Prospectus Supplement shall not under any circumstances imply that there has been no change in the Group's affairs or that the information contained herein is correct as of any date subsequent to the date of this Prospectus Supplement.

No person is authorized to give information or to make any representation concerning the Group or in connection with the Listings or the Shares other than as contained in the Prospectus. If any such information is given or made, it must not be relied upon as having been authorized by the Company or the Manager or by any of the affiliates, representatives, advisors or selling agents of any of the foregoing.

No Shares or any other securities are being offered or sold in any jurisdiction pursuant to this Prospectus Supplement. The distribution of this Prospectus Supplement in certain jurisdictions may be restricted by law. This Prospectus Supplement does not constitute an offer of, or an invitation to purchase, subscribe or sell any of the securities described herein or in the Prospectus. No one has taken any action that would permit a public offering of the Shares. Accordingly, neither this Prospectus Supplement nor any advertisement may be distributed or published in any jurisdiction except under circumstances that will result in compliance with applicable laws and regulations. Persons in possession of this Prospectus Supplement are required to inform themselves about and to observe any such restrictions. In addition, the Shares are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under applicable securities laws and regulations. Investors should be aware that they may be required to bear the financial risks of an investment in the Shares for an indefinite period of time. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.

A reproduction or distribution of this Prospectus Supplement, in whole or in part, and any disclosure of its content is prohibited.

This Prospectus Supplement shall be governed by and construed in accordance with Norwegian law. The courts of Norway, with Oslo District Court as legal venue, shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with the Prospectus or this Prospectus Supplement.

In making an investment decision, prospective investors must rely on their own examination, and analysis of, and enquiry into the Group and the Shares, including the merits and risks involved. Neither the Company or the Manager, or any of their respective affiliates, representatives, advisors or selling agents are making any representation to any purchaser of the Shares regarding the legality or suitability of an investment in the Shares by such purchaser under the laws applicable to the purchaser. Each prospective investor should consult with his or her own advisors as to the legal, tax, business, financial and related aspects of a purchase of the Shares.

EXCHANGE CONTROL

The permission of the Bermuda Monetary Authority is required, under the provisions of the Exchange Control Act 1972 and related regulations, for all issuances and transfers of shares (which includes the Shares) of Bermuda companies to or from a non-resident of Bermuda for exchange control purposes, other than in cases where the Bermuda Monetary Authority has granted a general or specific permission. The Bermuda Monetary Authority, in its notice to the public dated June 1, 2005, has granted a general permission for the issue and subsequent transfer of any securities of a Bermuda company from and/or to a non-resident of Bermuda for exchange control

purposes for so long as any "Equity Securities" of the company (which would include the Shares) are listed on an "Appointed Stock Exchange" (which would include Euronext Expand, the Oslo Stock Exchange, New York Stock Exchange and NASDAQ). In granting the general permission the Bermuda Monetary Authority accepts no responsibility for the Company's financial soundness or the correctness of any of the statements made or opinions expressed in this Prospectus Supplement. Specific consent under the Bermuda Exchange Control Act 1972 (and its related regulations) has been obtained from the Bermuda Monetary Authority for the issue and transfer of all of its common shares from and/or to non-residents and residents of Bermuda for exchange control purposes provided its shares are listed on an Appointed Stock Exchange, which includes Euronext Expand, the Oslo Stock Exchange and the New York Stock Exchange. In granting such consent, neither the Bermuda Monetary Authority nor any other relevant Bermuda authority or government body accepts any responsibility for the Company's financial soundness or the correctness of any of the statements made or opinions expressed in this Prospectus.

See Section 18 "Selling and transfer restrictions" of the Prospectus for certain other notices to investors.

INFORMATION TO DISTRIBUTORS

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Shares have been subject to a product approval process, which has determined that they each are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II (the "**Positive Target Market**"); and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Appropriate Channels for Distribution**"). Distributors should note that: the price of the Shares may decline and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. Conversely, an investment in the Shares is not compatible with investors looking for full capital protection or full repayment of the amount invested or having no risk tolerance, or investors requiring a fully guaranteed income or fully predictable return profile (the "**Negative Target Market**", and, together with the Positive Target Market, the "**Target Market Assessment**").

The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to any subsequent offering or sale of the Shares.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Shares and determining appropriate distribution channels.

ENFORCEMENT OF CIVIL LIABILITIES

The Company is an exempted company limited by shares incorporated under the laws of Bermuda. As a result, the rights of holders of the Shares will be governed by Bermuda law and the Company's memorandum of association and the Company's bye-laws attached to the Prospectus as Appendix A (the "**Bye-Laws**"). The rights of shareholders under Bermuda law may differ from the rights of shareholders of companies incorporated in other jurisdictions.

The majority of the Company's board of directors (the "**Board of Directors**") are not residents of the United States, and a substantial portion of the Company's assets are located outside the United States. As a result, it may be difficult for investors in the United States to effect service of process on the Company or its directors and executive officers in the United States or to enforce in the United States judgments obtained in U.S. courts against the Company or those persons, including judgments based on the civil liability provisions of the securities laws of the United States or any State or territory within the United States (including any State or territory within the United States).

The United States does not currently have a treaty providing for reciprocal recognition and enforcement of judgments (other than arbitral awards) in civil and commercial matters with either Norway or Bermuda. Uncertainty exists as to whether courts in Norway or Bermuda will enforce judgments obtained in other jurisdictions, including the United States, against the Company or its directors or officers under the securities laws of those jurisdictions or entertain actions in Norway or Bermuda against the Company or its directors or officers under the securities laws of other jurisdictions. In addition, awards of punitive damages in actions brought in the United States or elsewhere may not be enforceable in Norway and/or Bermuda.

AVAILABLE INFORMATION

The Company has agreed that, for so long as any of the Shares are "restricted securities" within the meaning of Rule 144(a)(3) under the U.S. Securities Act, it will during any period in which it is neither subject to section 13 or 15(d) of the U.S. Securities Exchange Act of 1934 (as amended) (the "**U.S. Exchange Act**"), nor exempt from reporting requirements by complying with the information furnishing requirements of Rule 12g3-2(b) under the U.S. Exchange Act, provide to any holder or beneficial owners of Shares, or to any prospective purchaser designated by any such registered holder, upon the request of such holder, beneficial owner or prospective purchaser, the information required to be delivered pursuant to Rule 144A(d)(4) of the U.S. Securities Act.
